

"Pathfinder Innovation Challenge" video contest

02/15/2010

Text from the video:

Calling all Martians
NASA wants you
to get involved
in Mars exploration.

how?

by entering our video contest!

all you need is...

a camera...

your imagination...

and a love of the red planet

make your movie!

tell us your story

show NASA what Mars means to you!

why?

Because Mars exploration isn't just for scientists and engineers...

It's for anyone with an imagination...

and a curiosity about exploring other worlds

win prizes!
